Open House

You're going to listen to a radio programme for young people. There are several parts and you will get information about different things. We want you to answer some questions about what you hear. Answer the questions by writing a number, a word or a short sentence or sometimes by putting a cross in the correct box.

You will hear the programme **only once**. You can write while you're listening, but you will be given some time after each part to answer the questions.

Your answers must be in English.

(Programme from 2005)
