436 40 Askim, Sweden
ORCID ID; 0000-0002-8914-0178

Highlights

- Total **35 peer-reviewed publications since 2007** (ORCID 0000-0002-8914-0178, *h*-index; 17 and total 895 citation based on Web of Science 211115)
- ~**12.5 MSEK** in funding (for details see list of funding in CV) including a starting grant from the **Swedish Research Council (6 MSEK)** and **ALF (1.2 MSEK)**.
- Completed an **international postdoc** at University Clinical, Medicine III, FAU Erlangen-Nürnberg in Germany **2014–2017**, financed by the **Swedish Research Council (3.2 MSEK)**.
- Became **Associate professor (Docent)** in Experimental autoimmunity 2019

Higher education;

Master of Science in Medical Biology, Health science, Linköping University **(2002-2006)**
Basic education with in medicine and biology

Ethics, CTE, Linköping University **(2005)**
Basic ethics and bioethics

Teaching and Learning in Higher Education, University of Gothenburg **(2016-2018)**
4 courses for improve my pedagogic skills in teaching higher education

Doctor's degree;

Ph.D., 11th of January 2013

Institute of Medicine, Sahlgrenska Academy, University of Gothenburg **(2007-2013)**
Arthritis and immune-mediated bone loss –role of estrogen signaling pathways
ISBN 978-91-628-8577-9. Supervisor; Marie Lagerquist Co-supervisor; Hans Carlsten

Docent competence;

11th of September 2019

Sahlgrenska Academy, University of Gothenburg with in *Experimental Rheumatology*

Postdoctoral stint;

Dep. of Rheum and Inflamm Research, University of Gothenburg, Sweden **(2016-2018)**

Dep. of Internal Medicine 3, University Clinic of Erlangen, FAU, Germany **(2014-2017)**

Centre for Bone and Arthritis research, University of Gothenburg, Sweden **(2013-2014)**

Current position;

Associate Professor at Dep. of Rheum and Inflamm Research, University of Gothenburg **(2018-)**
Investigation of antibodies induction of bone loss and initiation of autoimmune diseases

Previous positions;

Postdoc at Dep. of Rheum and Inflamm Research, University of Gothenburg **(2016-2018)**
Investigation of estrogen regulation of antibodies and antibodies induction of bone loss

Postdoc at Dep. of Internal Medicine 3, University Clinic of Erlangen, FAU **(2014-2017)**
Research around the preclinical phase of autoimmunity

Postdoc at Centre for Bone and Arthritis research, University of Gothenburg **(2013-2014)**
Research within the field of arthritis and immune-mediated bone loss

Medical inflammation research, Lund University (2006)
Master thesis and project work in gene regulation of rheumatoid arthritis

Transfusion medicine, LMÖ, University hospital Linköping (2004-2006)
Employment part time as medical laboratory scientist (BMA/MTA)

Active Grants; (all as principal investigator)

ALF-grant, expenses (1.2 MSEK) (2021)

Reumatiker förbundet, expenses (75kSEK) (2020)

Magnus Bergvall foundation, expenses (90kSEK) (2020)

GVs 80-årsfund, grant to cover laboratory expenses (100kSEK) (2020)

Professor Nanna Svartz, expenses (50kSEK) (2020)

Stiftelsen Lars Hiertas Minne, expenses (50kSEK) (2019)

Swedish Research Council. Starting Grant, salary and expenses (6 MSEK) (2019)

Completed Grants; (all as principal investigator)

ALF-grant for young scientist, salary and expenses (900kSEK) (2018)

Reumatiker förbundet, expenses (100 +75kSEK) (2019)

O.E. och Edlas Johansson vetenskapliga stiftelse (100kSEK) (2019)

Stiftelsen Lars Hiertas Minne, expenses (50kSEK) (2019)

Åke Wiberg foundation, expenses (200+ 219+ 300kSEK) (2017+ 2018+ 2019)

Tore Nilsson foundation for medical research, expenses (70+ 70+ 70kSEK) (2017+ 2018+ 2019)

GVs 80-årsfund, grant to cover laboratory expenses (500 +300kSEK) (2017+ 2019)

SSMF, PostDoc scholarship and expenses (2.2 MSEK) (2015)

ELAN, salary for technical assistant and expenses (45kEURO) (2015)

Swedish Research Council. Int. Postdoc, salary and expenses (3.15 MSEK) (2013)

Supervising experience;

Supervisor, for a Ph.D. student, Priti Gupta (2020-)

Supervisor, for a biology student, Master Thesis and project work, Edina Sehic (2017-2019)

Supervisor, for a PostDoc, Jasmin Raufer (2016-2017)

Co-supervisor, for a Ph.D. student, Hu Zhicheng (2020-)

Co-supervisor, for a Ph.D. student, Jauquiline Nordqvist (2016-)

Co-supervisor, for a Ph.D. student, Karin Gustafsson (2014-2019)

Teaching experience;

Course coordinator and teaching for Dietetics Program, Basic Physiology, first-cycle (2021-)

Teaching for Pharmaceutically, Autoimmunity (2019-2020)

Teaching for Dietetics Program, Immunology, first-cycle (2018-2020)

Course coordinator, Rheumatology for specialized nurses (2017)

Course coordinator and teaching immunological laboratory technic, PhD students (2017, 2020)

Teaching for Health promotion, Physiology (2017-2018)

Group discussion for Medical students, Basic Immunology (2017-)

Teaching in Osteoimmunology, for Ph.D. students and first level (2010, 2014, 2017)

Group discussion for Medical students, scientific publications (2009-2013 2017-2019)

Additional information;

Co-chair followed of Chair Future Faculty Sahlgrenska Academy (2019-)

Steering group member for Future Faculty Sahlgrenska Academy (2018-)

Promotes the interests of early career researchers at Sahlgrenska Academy and nationally via NJF

Nyfiken på ledarskap (2017-2018)

A competence development course from Gothenburg University

Dubbelkursen; I and II (2017+ 2020)

Team leader course organist of RISE Viktora with diversity in participant from industry and academia
